AIRBUS

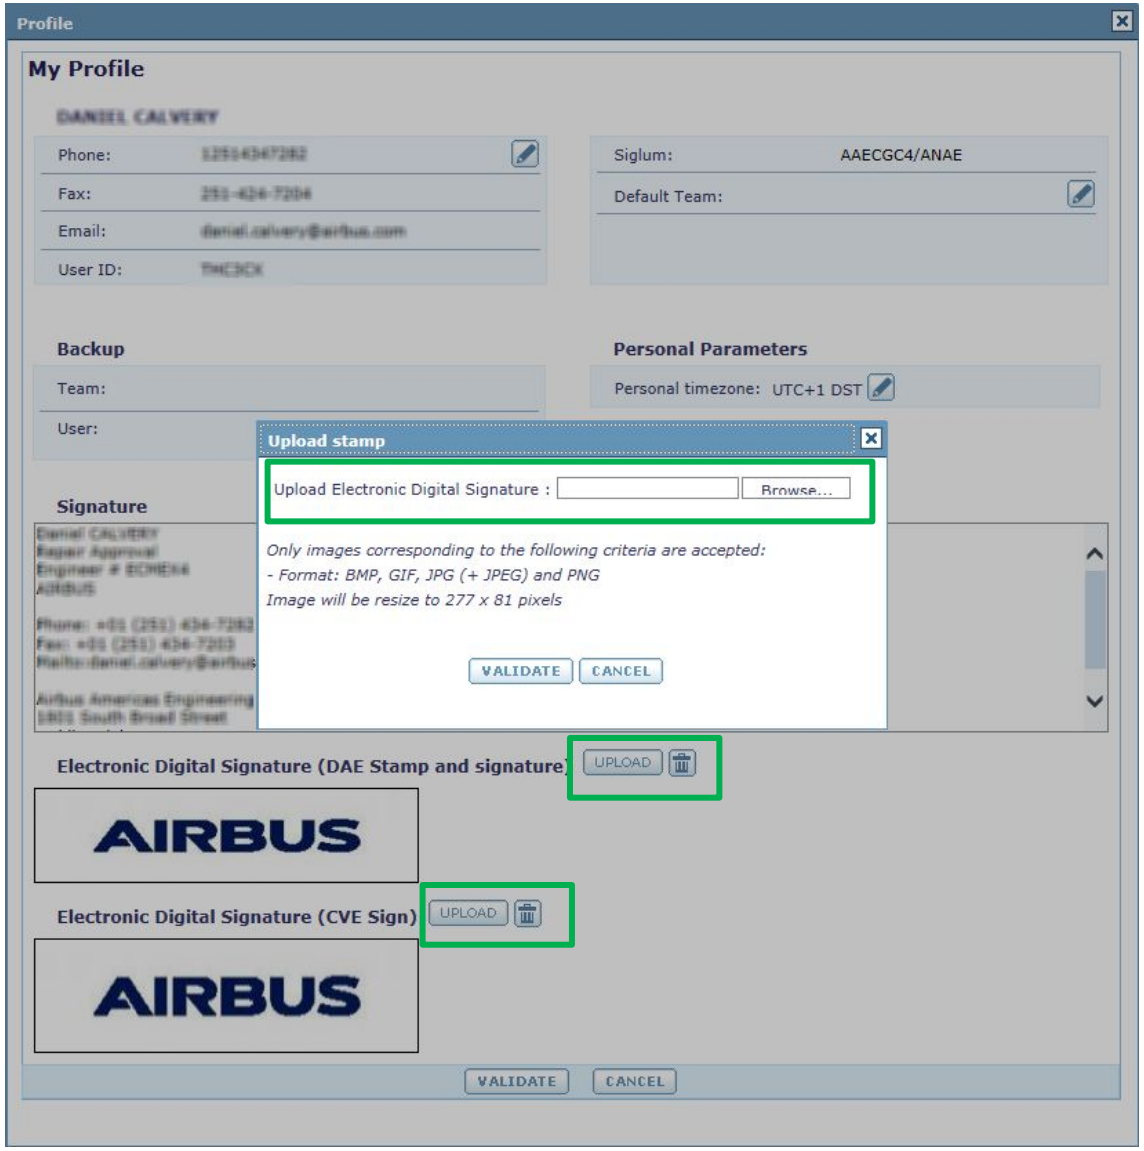
Appendix 1 – Update my signature

1. From the Home Page, Open “**My profile**” section.
2. Click on the “**Edit**” buttton.
3. In the section « **Electronic Digital Signature** (DAE Stamp and signature) », click on the « **upload** » button.
4. In the « **Upload stamp** » popup, Signature criteria is mentioned:
   Format: *BMP, GIF, JPG, JPEG, PNG*
   Image is resized if it doesn’t respect the 277 x 81 format
5. Click on « **Browse** » button and upload your signature with stamp.
6. Your signature is displayed
7. Click on « **Validate** »



Appendix 2 – **Install the ACF Patch**

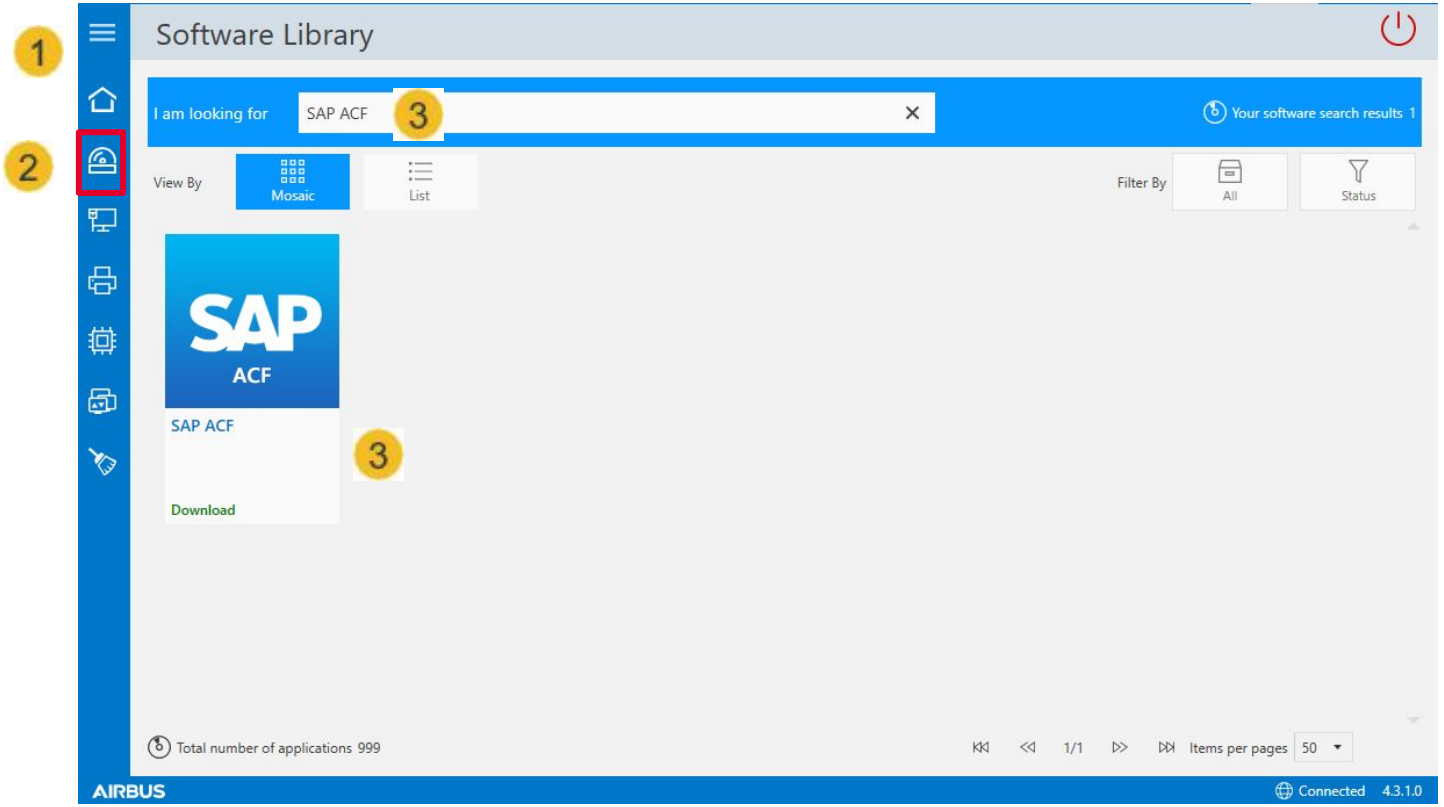
To use the WordEdit function you need to install the ACF patch:

1. You can install the ACF patch from “PC Services”:
   2. Click on « Install Software »
   3. Search SAP ACF and Install the patch relative to your Windows version: Windows 10 = *SAP ACF (7.12.PL65_32b)*

4. If you do not have access to PC Services, you can install the ACF Patch from the TechRequest Help Center available from the banner:
   5. Click on the Zip File relative to your Windows version

« SAP ACF (7.12_32b) Win7.zip »
« SAP ACF (7.12_32b) Win10.zip »

<u>Note:</u> To install the ACF Patch from the Help Center, you have to be administrator of your computer.



AIRBUS

If you need further assistance, you can contact the TechRequest Support by raising a ticket.
