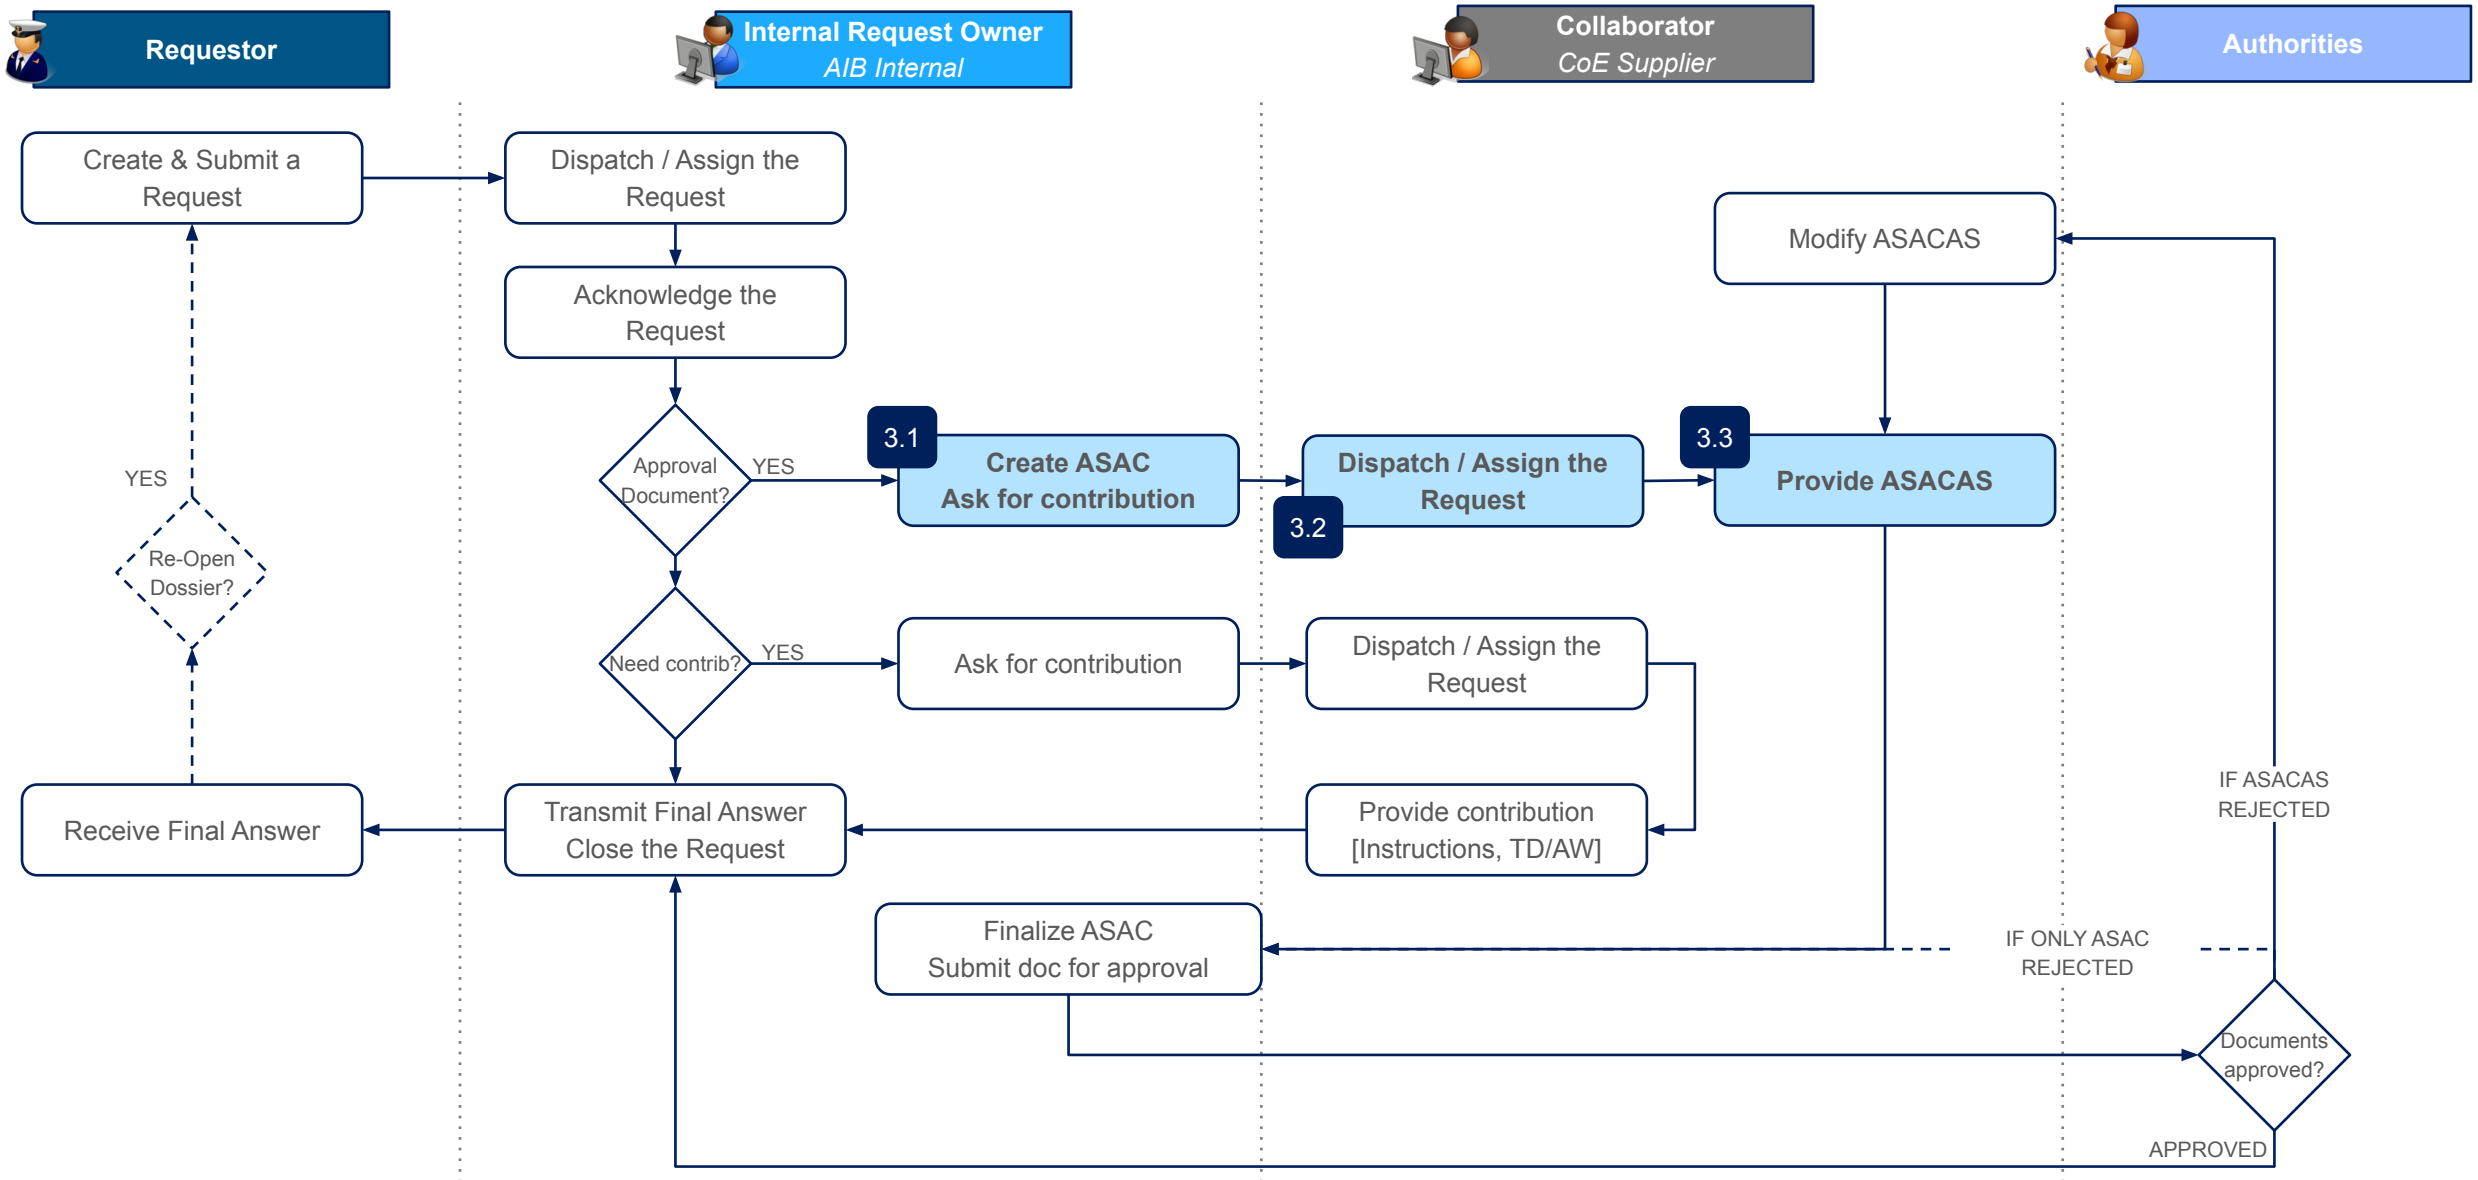
PROCESS OVERVIEW – Contribute on a Dossier



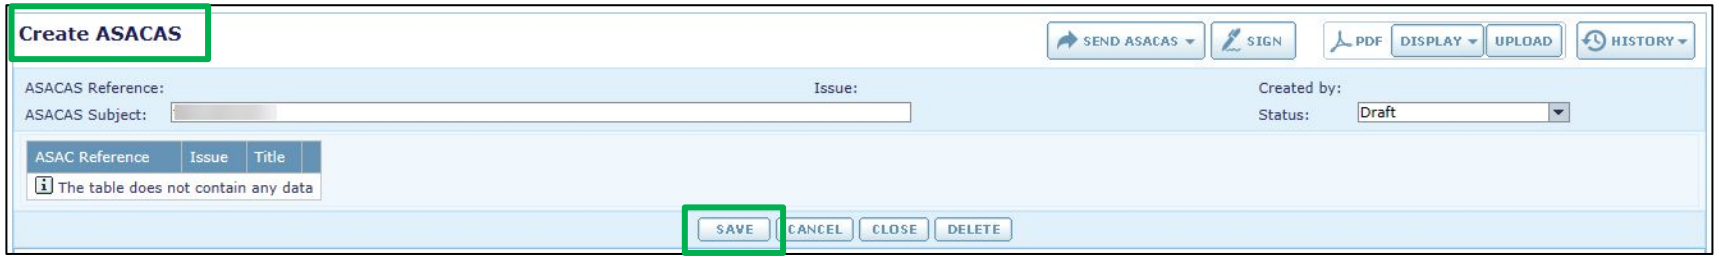
AIRBUS

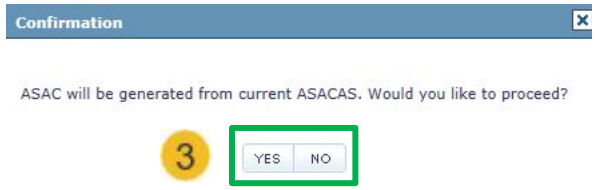
3.1 – Create ASAC and ask for Contribution

Internal Request Owner
AIB Internal

Create ASACAS and ASAC → Send Document to Contributors

1. To Create a ASACAS, the user needs to use the **Approval document** button and click on **ASAC/ASACAS**
2. As a result, a **ASACAS** form **is displayed** in Edit Mode
3. After saving the ASACAS, the user can **automatically generate the ASAC**





AIRBUS

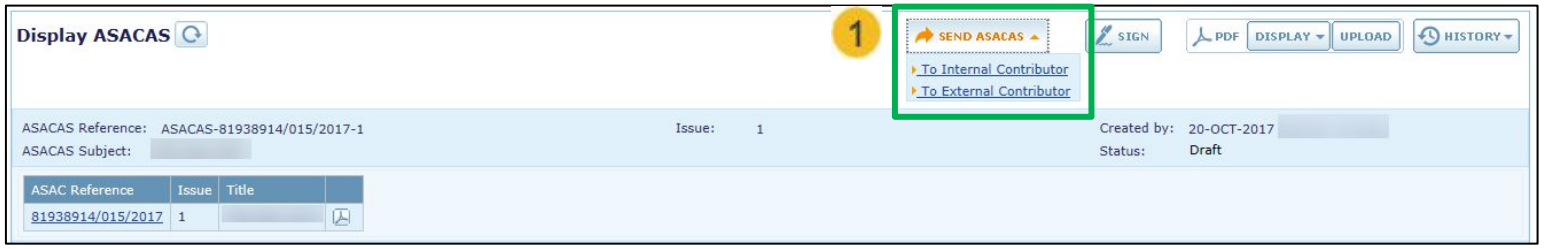
3.1 – Create ASAC and ask for Contribution

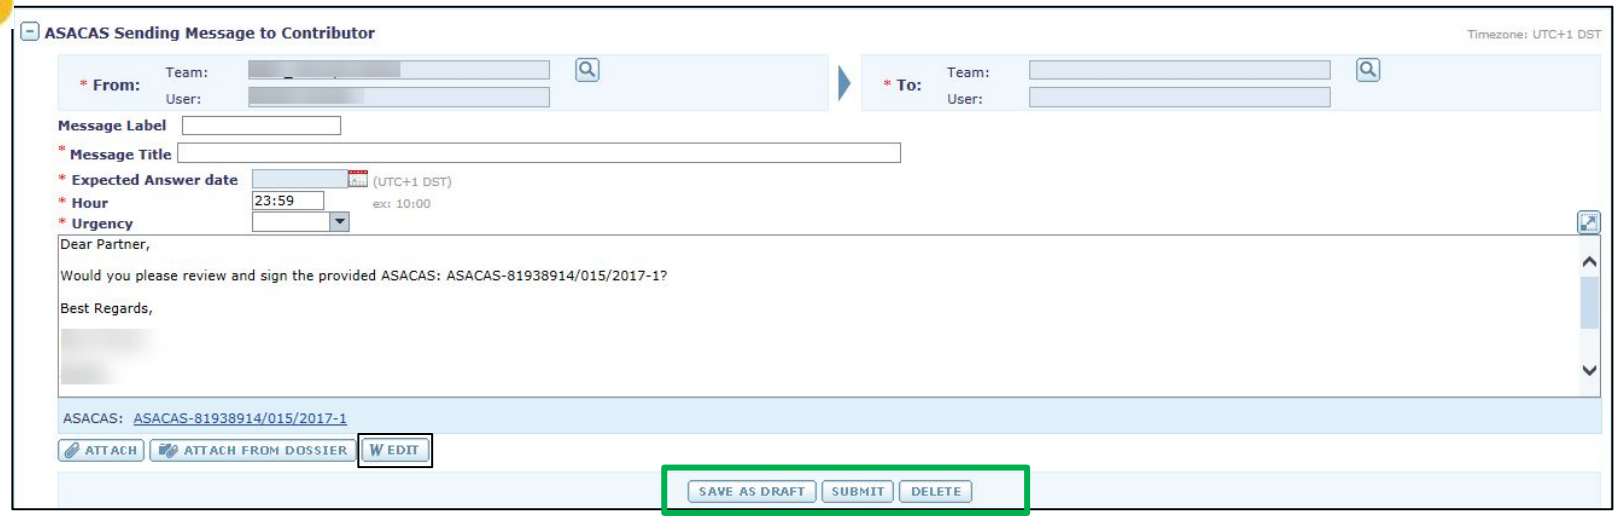
Internal Request Owner
AIB Internal

Create ASACAS and ASAC → **Send Document to Contributors**

1. If the user requires assistance on completing the ASAC/ASACAS, he can **Send the ASACAS to a Contributor**

2. This open a New message. The user will have to:
   - Fill in the mandatory field (*)
   - Add your message
   - Click on submit.





AIRBUS

3.2 – Dispatch & Assign the Request

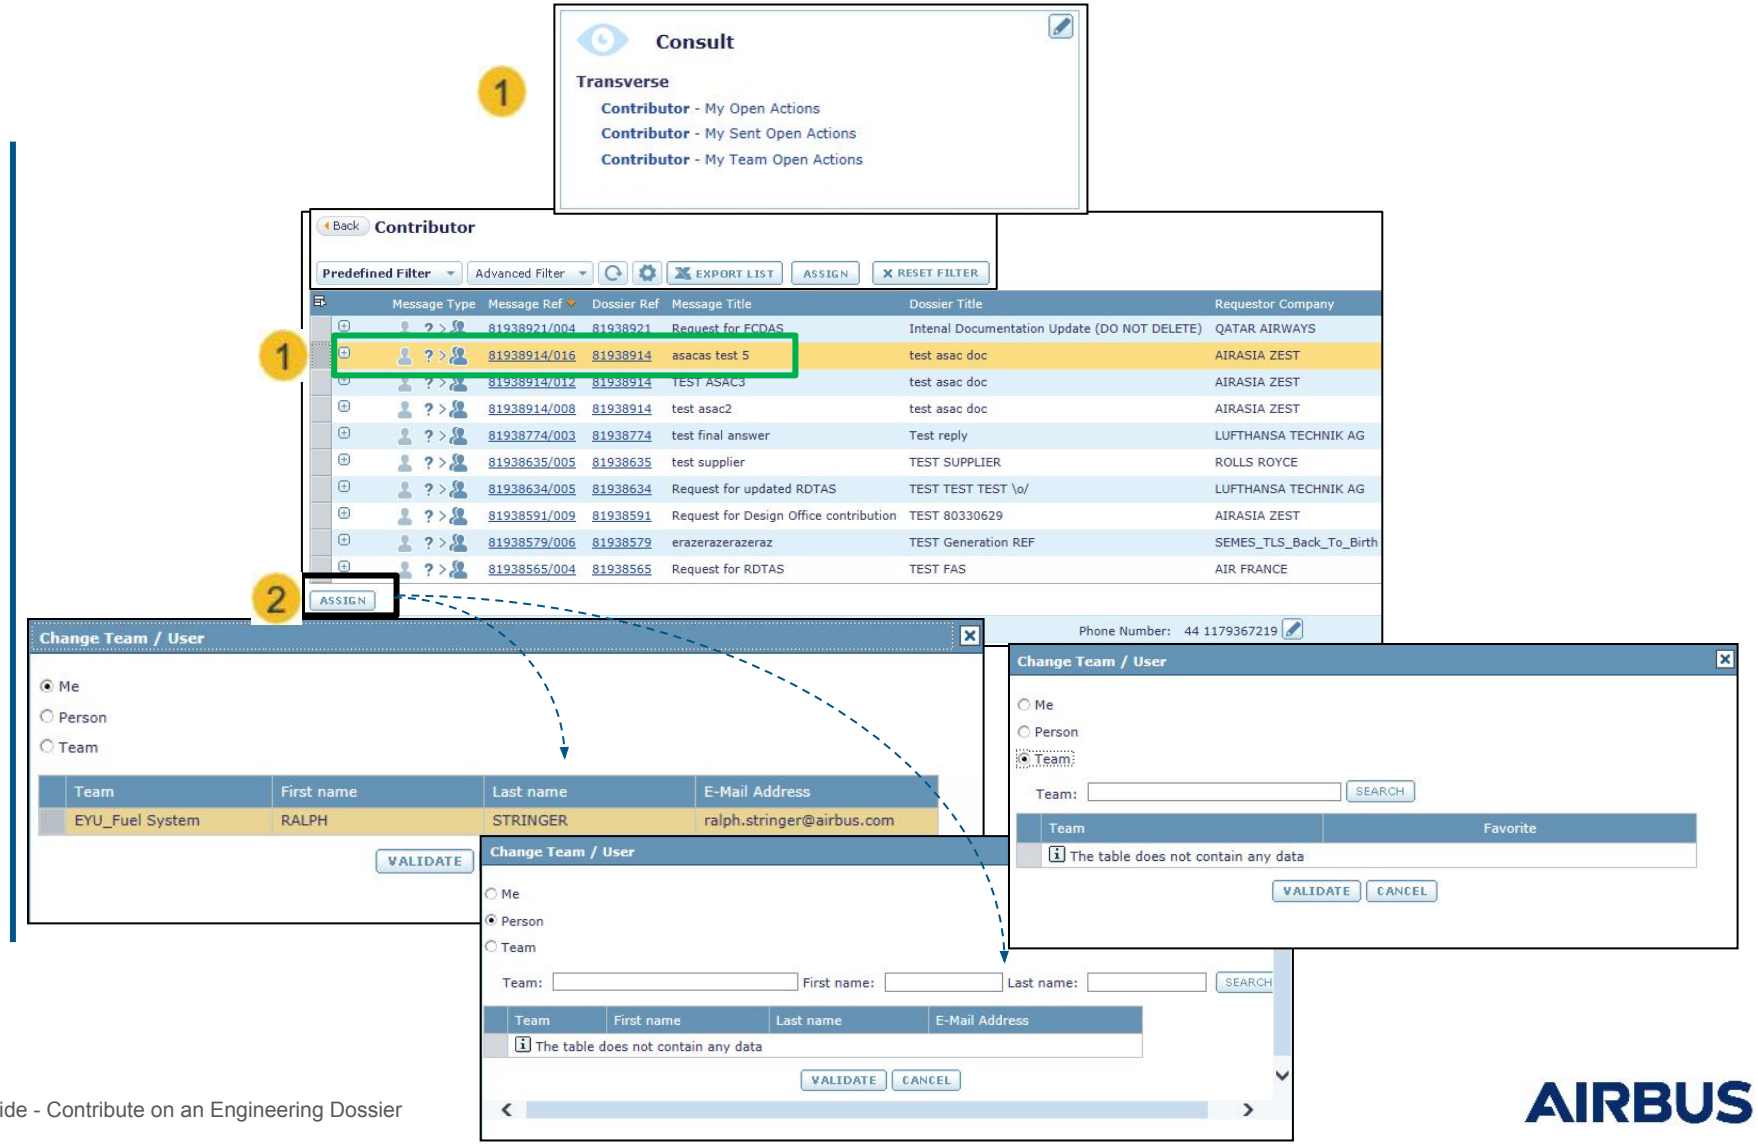
Collaborator
CoE Supplier

Dispatch the Requests

1. In the **Contributor dashboard**, select the request you want to assign by selecting the line (don't click on the dossier's hyperlink).

You can select several lines using the "CTRL" key of your keyboard.
You can select all lines by clicking on the "Table selection menu".

2. Click on "**Assign**" button to assign the request :
   - To Yourself
   - To a Person Enter a name or search
   - To a Team Enter a team or search



AIRBUS

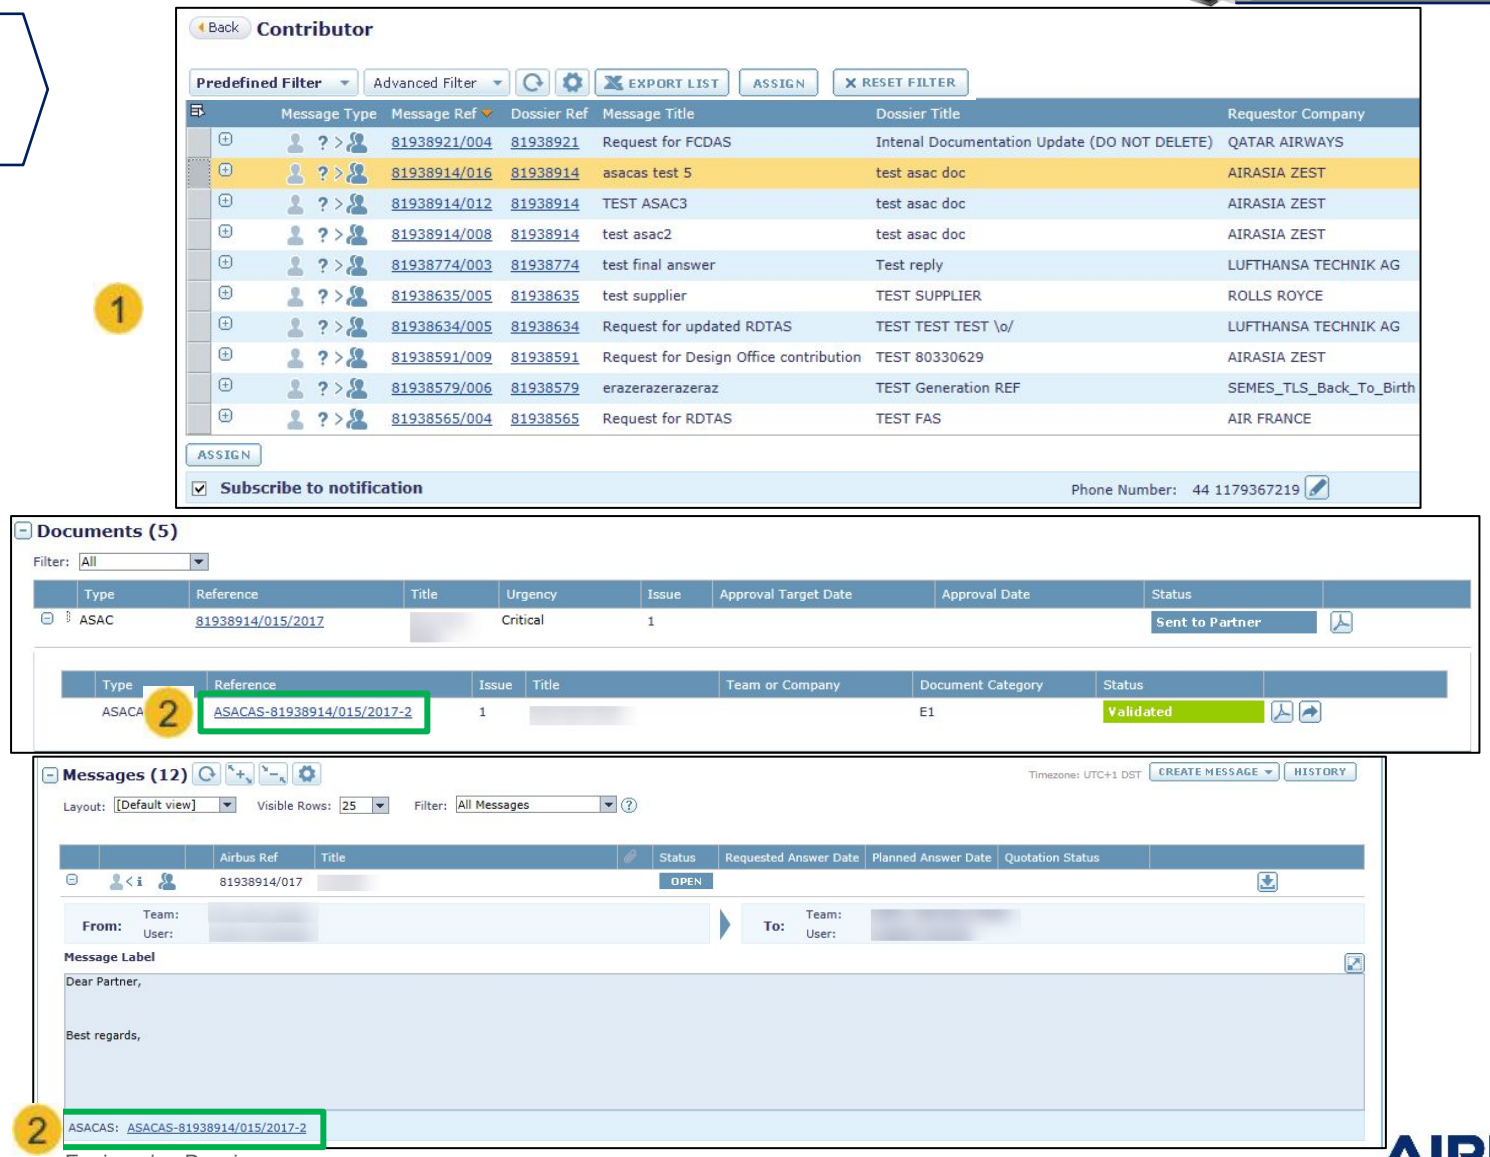
3.3 – Provide ASACAS

Collaborator
CoE Supplier

Consult the ASACAS → Complete and Validate the ASACAS → Send the ASACAS

1. From the **Contributor dashboard**, open the Customer Support message.

2. The ASACAS can be accessed via two points:
   - The link below the message.
   - The **Documents** section.



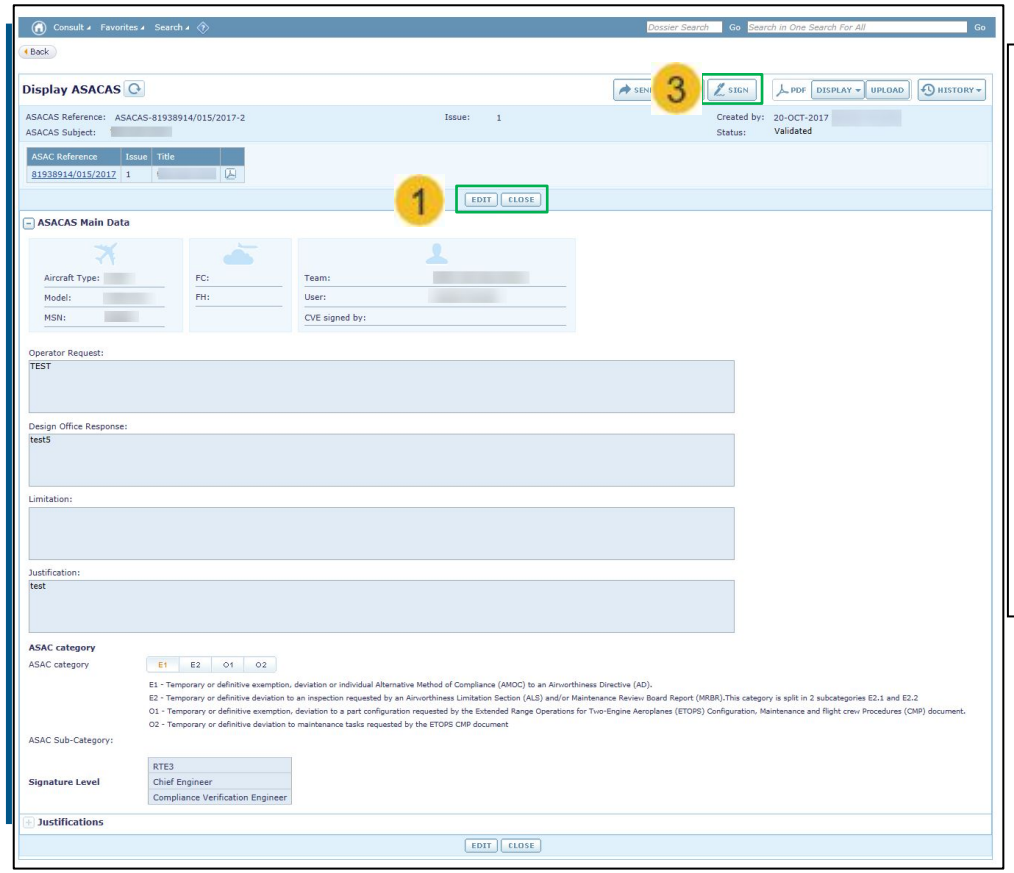
AIRBUS

3.3 – Provide ASACAS

Consult the ASACAS → **Complete and Validate the ASACAS** → Send the ASACAS

Complete the ASACAS form:

1. Edit and Fill the ASACAS Main Data
2. **Save** the document
3. Once the document is complete, **Sign** the ASACAS



1

The ASACAS form displays the following information data:

- ASACAS reference, Subject and issue
- ASAC information / Document (PDF)
- Operator Request
- Design office response
- Limitations
- ASAC Category
- Signature Level
- Justifications (no justification for ASAC)

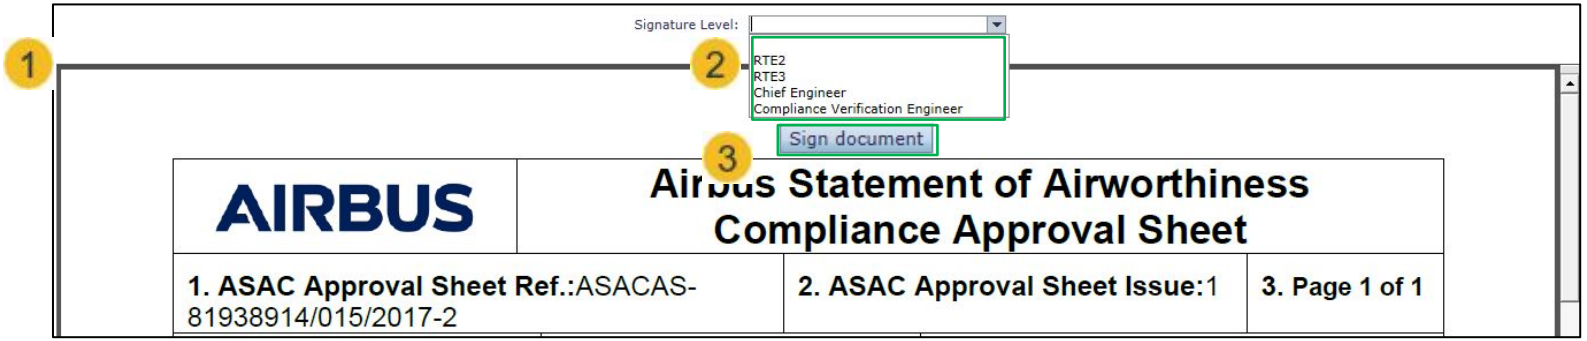
AIRBUS

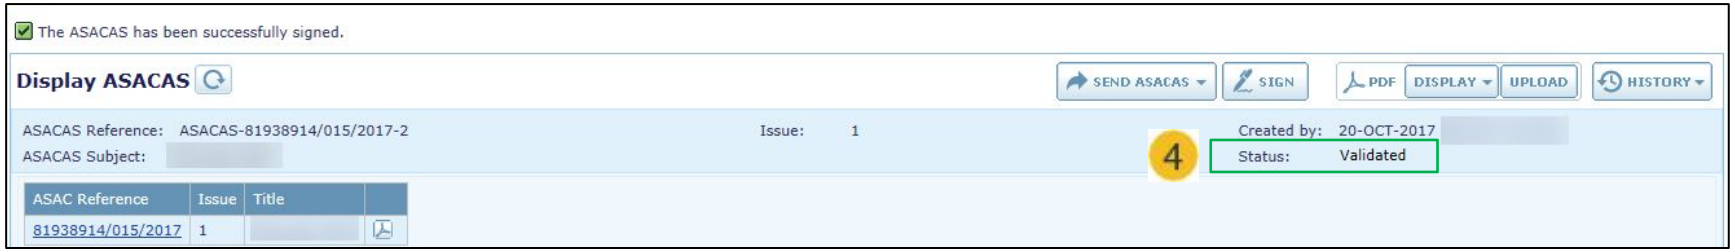
3.3 – Provide ASACAS

Consult the ASACAS → **Complete and Validate the ASACAS** → Send the ASACAS

1. When Signing the ASACAS, the PDF file is displayed
2. Select the appropriate Signature level
3. **Sign** the Document
4. The ASACAS status is automatically set to **Validated**

*Note: Any **Internal User can Un-Sign** a Validated ASACAS by **setting its status to Draft***



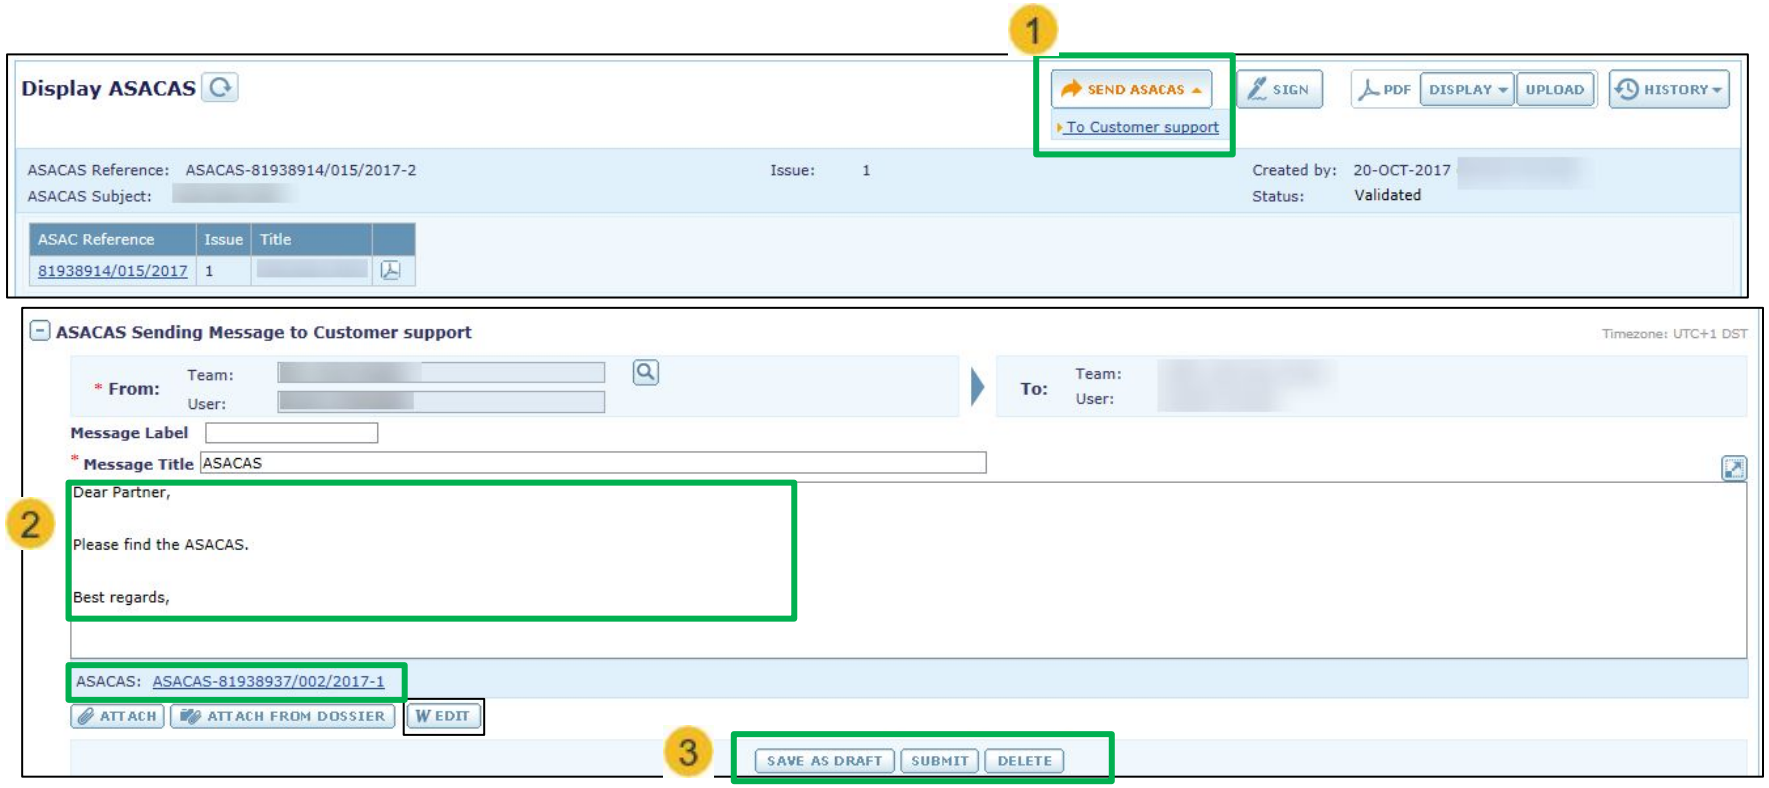


AIRBUS

3.3 – Provide ASACAS

Consult the ASACAS → Complete and Validate the ASACAS → **Send the ASACAS**

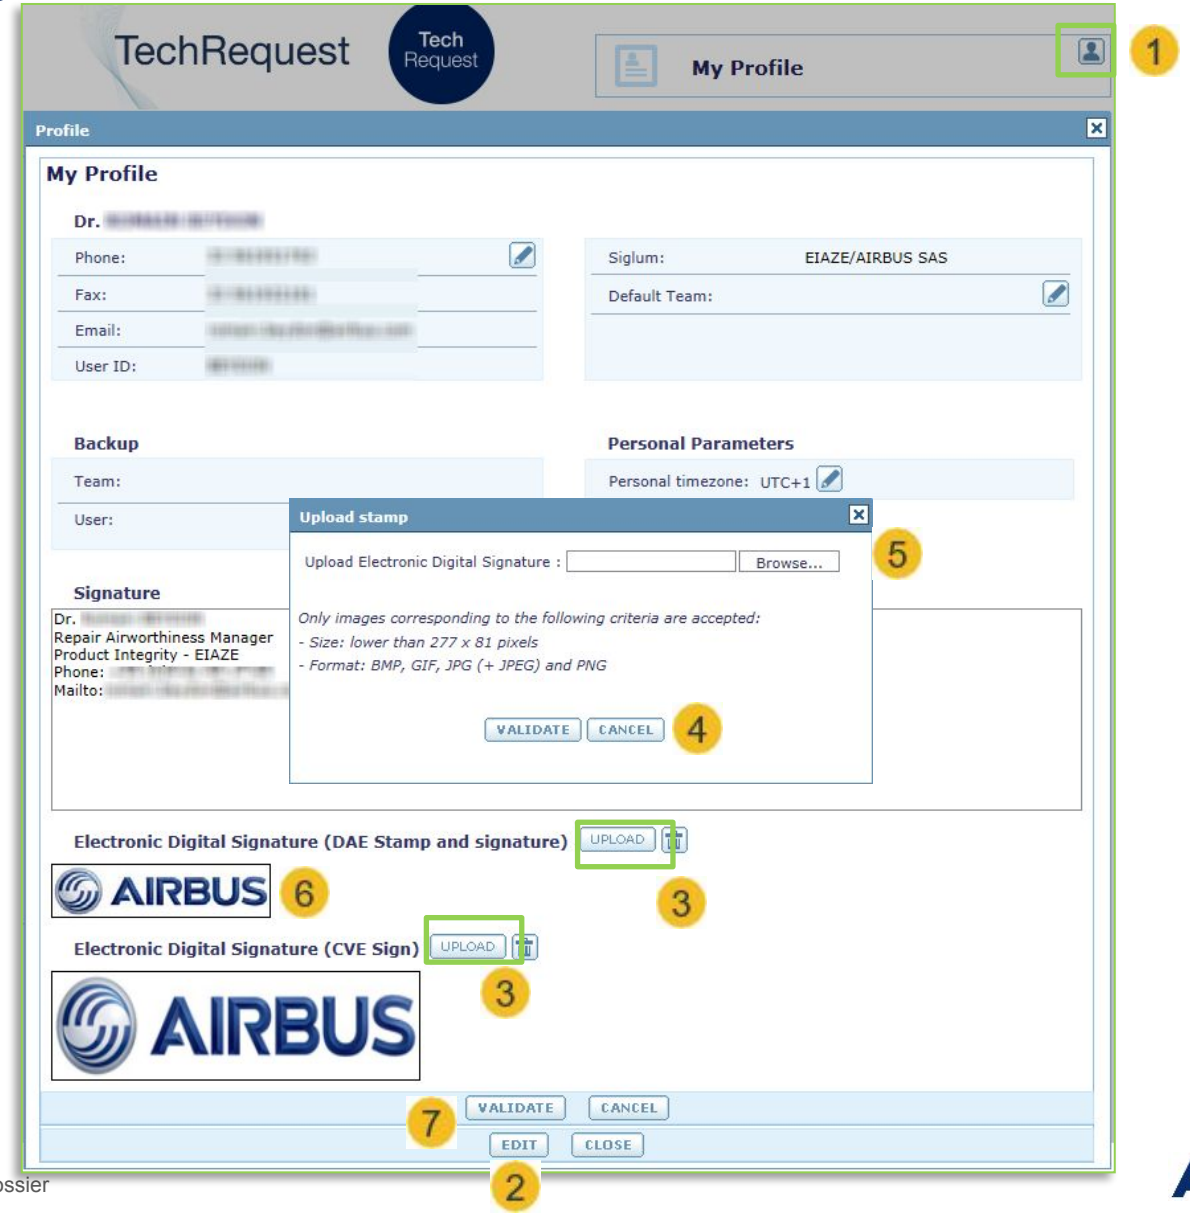
1. Send the ASACAS to Customer Support with the **Send ASACAS** button
2. Write your message
3. **Submit** your Message
4. The Customer Support question is closed and the ASAC status is set at **Received from Partner**



AIRBUS

Appendix 1 – Update my signature

1. From the Home Page, Open “**My profile**” section.
2. Click on the “**Edit**” button.
3. In the section « **Electronic Digital Signature** (DAE Stamp and signature) », click on the « **upload** » button.
4. In the « **Upload stamp** » popup, Signature criteria is mentioned:
   Format: *BMP, GIF, JPG, JPEG, PNG*
   Image is resized if it doesn’t respect the 277 x 81 format
5. Click on « **Browse** » button and upload your signature with stamp.
6. Your signature is displayed
7. Click on « **Validate** »



AIRBUS

To use properly **WordEdit function**, please access to TechRequest through the browser **Internet Explorer.**

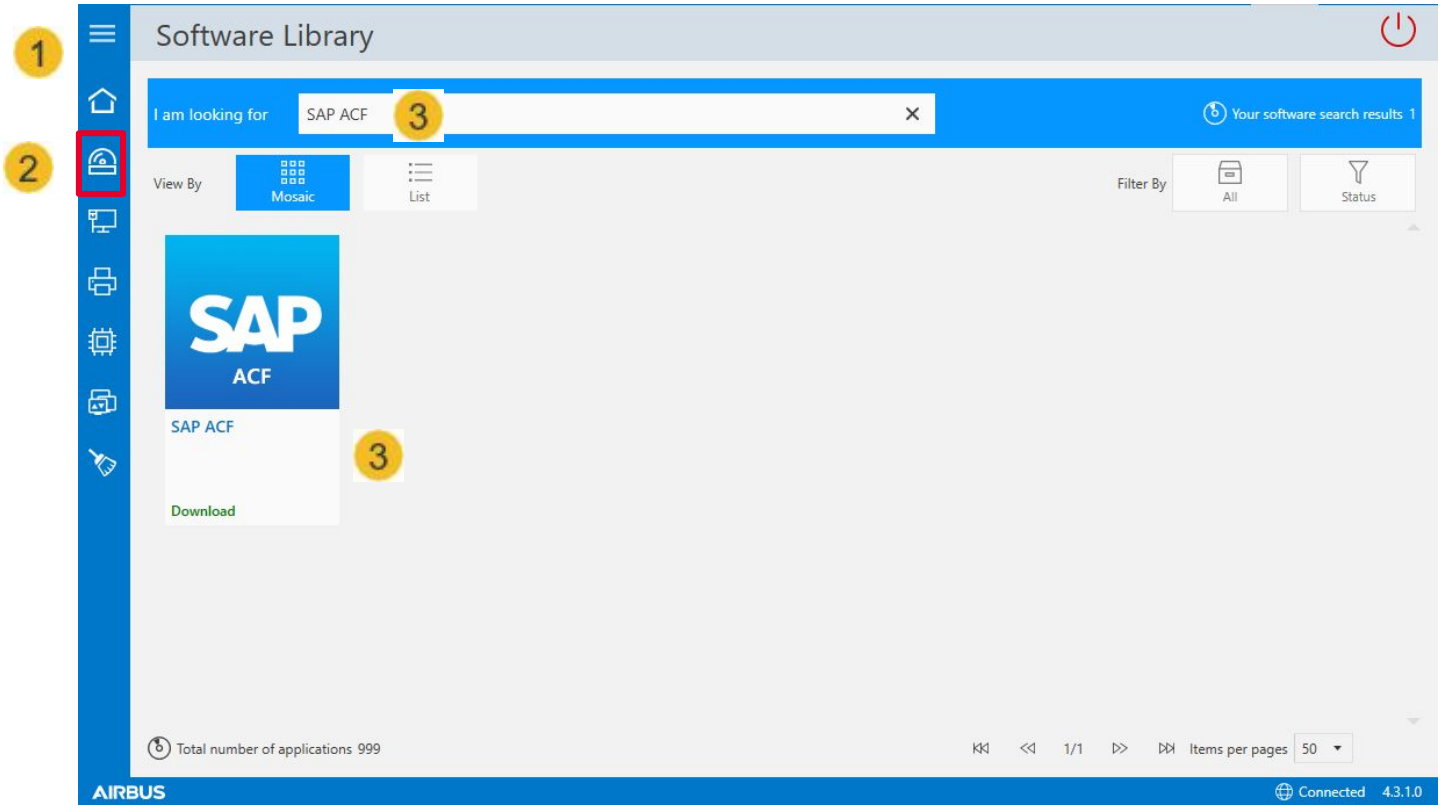
Appendix 2 – **Install the ACF Patch**

To use the WordEdit function you need to install the ACF patch:

1. You can install the ACF patch from “PC Services”:
   2. Click on « Install Software »
   3. Search SAP ACF and Install the patch relative to your Windows version: Windows 10 = *SAP ACF (7.12.PL65_32b)*
4. If you do not have access to PC Services, you can install the ACF Patch from the TechRequest Help Center available from the banner:
   5. Click on the Zip File relative to your Windows version

« SAP ACF (7.12_32b) Win7.zip »
« SAP ACF (7.12_32b) Win10.zip »

<u>Note:</u> To install the ACF Patch from the Help Center, you have to be administrator of your computer.



AIRBUS

If you need further assistance, you can contact the TechRequest Support by raising a ticket.
