TECHREQUEST PRACTICAL GUIDE

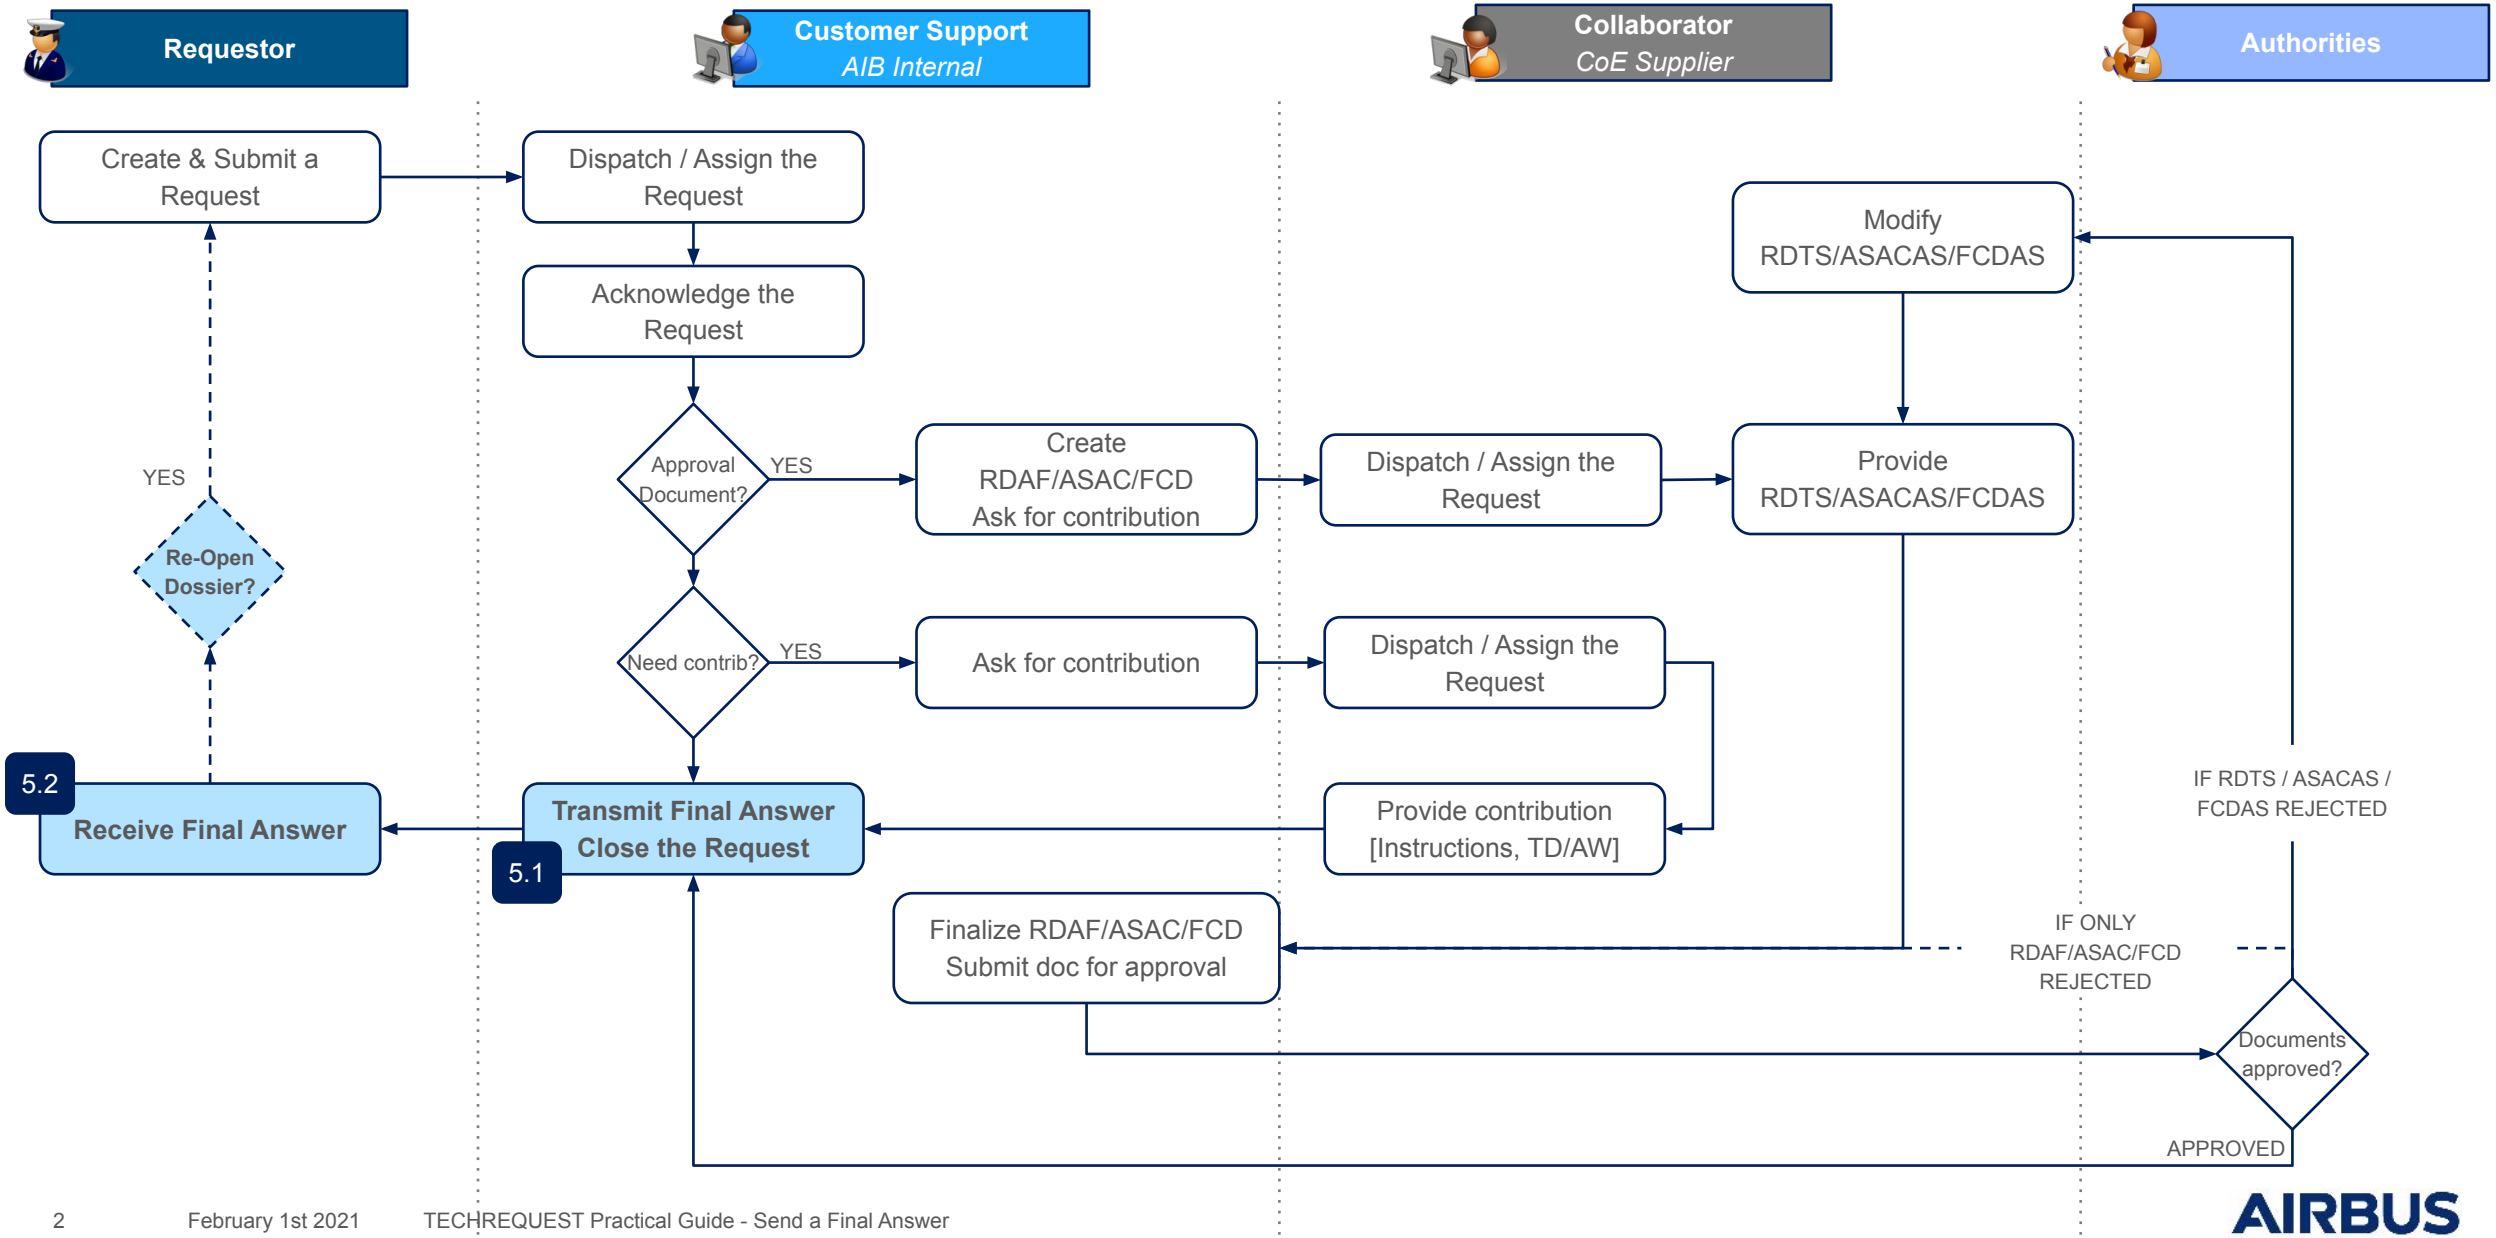
Send a Final Answer

Airbus – Customer Digital Experience
TechRequest Deployment & Support

February 1st 2021

AIRBUS

PROCESS OVERVIEW – Send a Final Answer



AIRBUS

5.1 – Send a Final Answer

Customer Support
AIB Internal

Send a final answer to close the dossier

1. When replying to a message, you can select the box **« Final Answer »**

2. Once your message is sent, the dossier status will be automatically set to **« Closed »**

3. To re-open a closed Dossier, click on the **« Re-open »** button displayed on the top of the page

AIRBUS

5.1 – Transmit RDAF / ASAC / FCD to Requestor

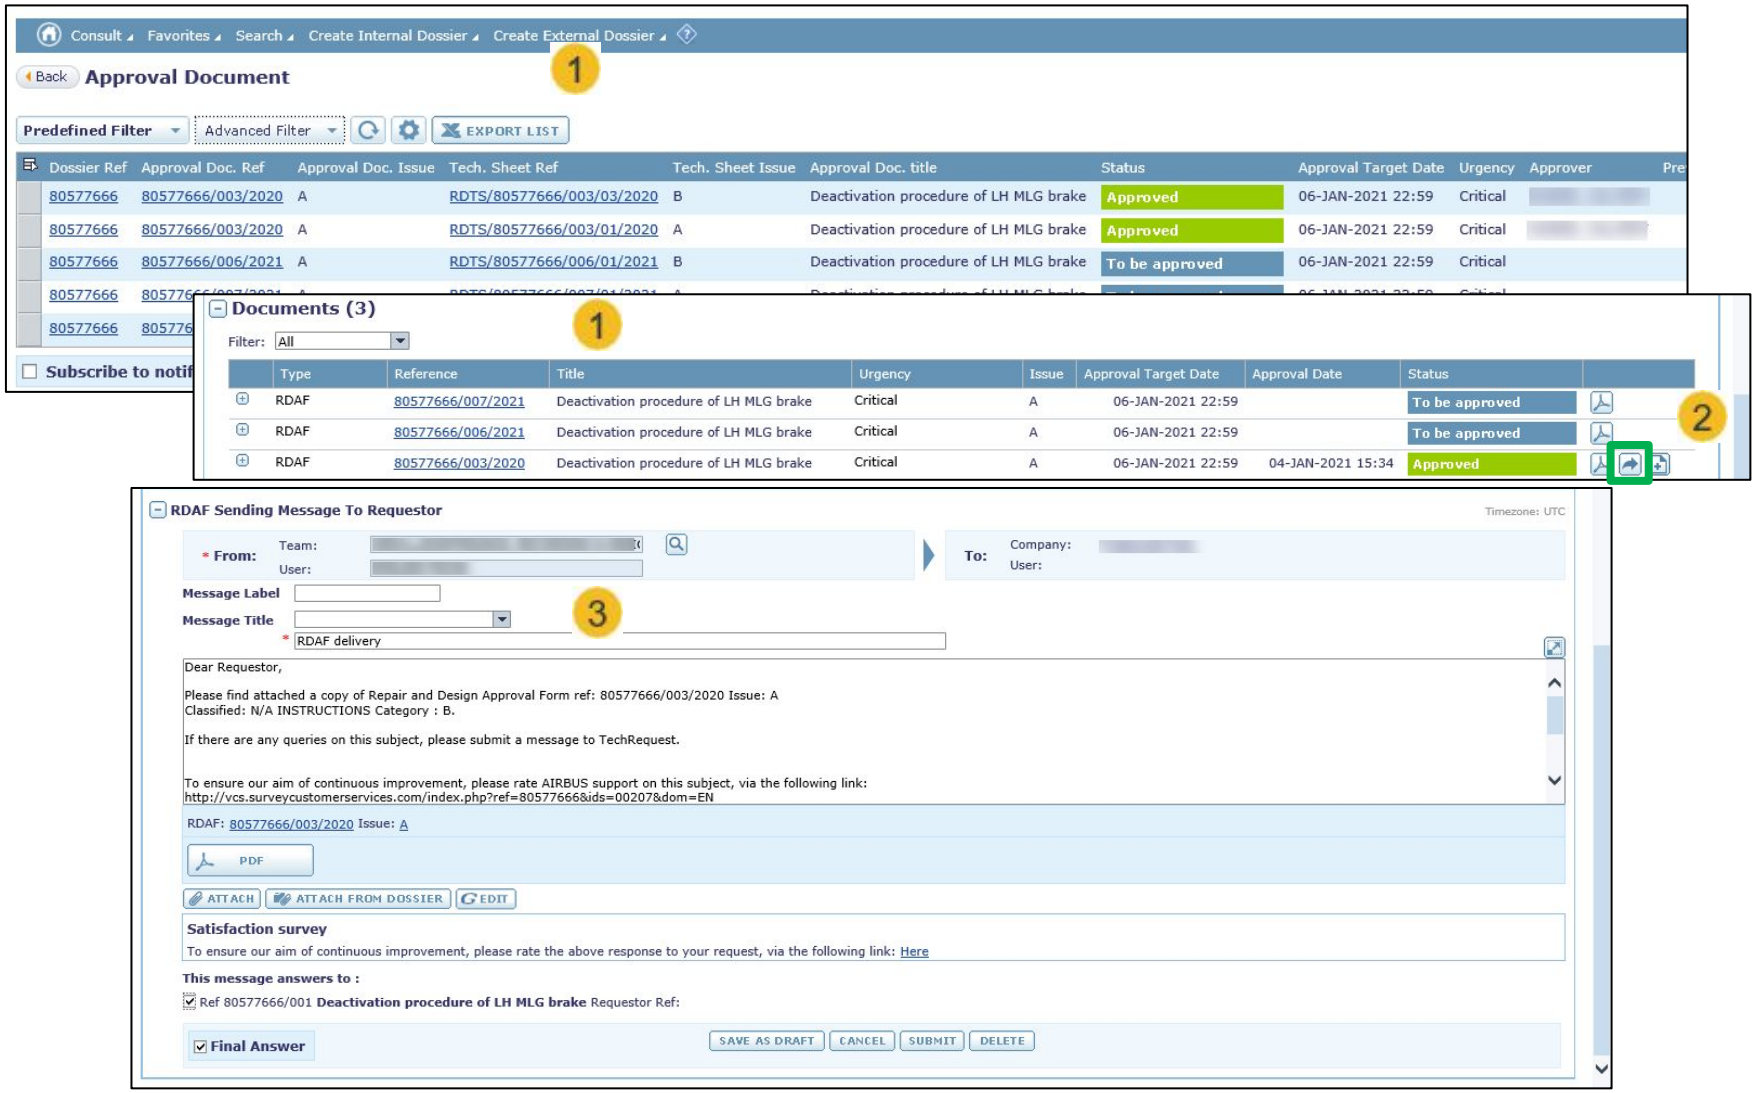
Customer Support
AIB Internal

Consult approved RDAF / ASAC / FCD → Send RDAF / ASAC / FCD to Requestor

1. To Find approved document, you can consult:
   - **« Approval Document »** dashboard
   - Open the **« Approval Documents »** part of the dossier

2. Click on the **« Send to Requestor »** button displayed on the right of the approved document.

- The **« RDAS Sending Message to Requestor »** template is displayed.



AIRBUS

5.1 – Transmit RDAF to Requestor

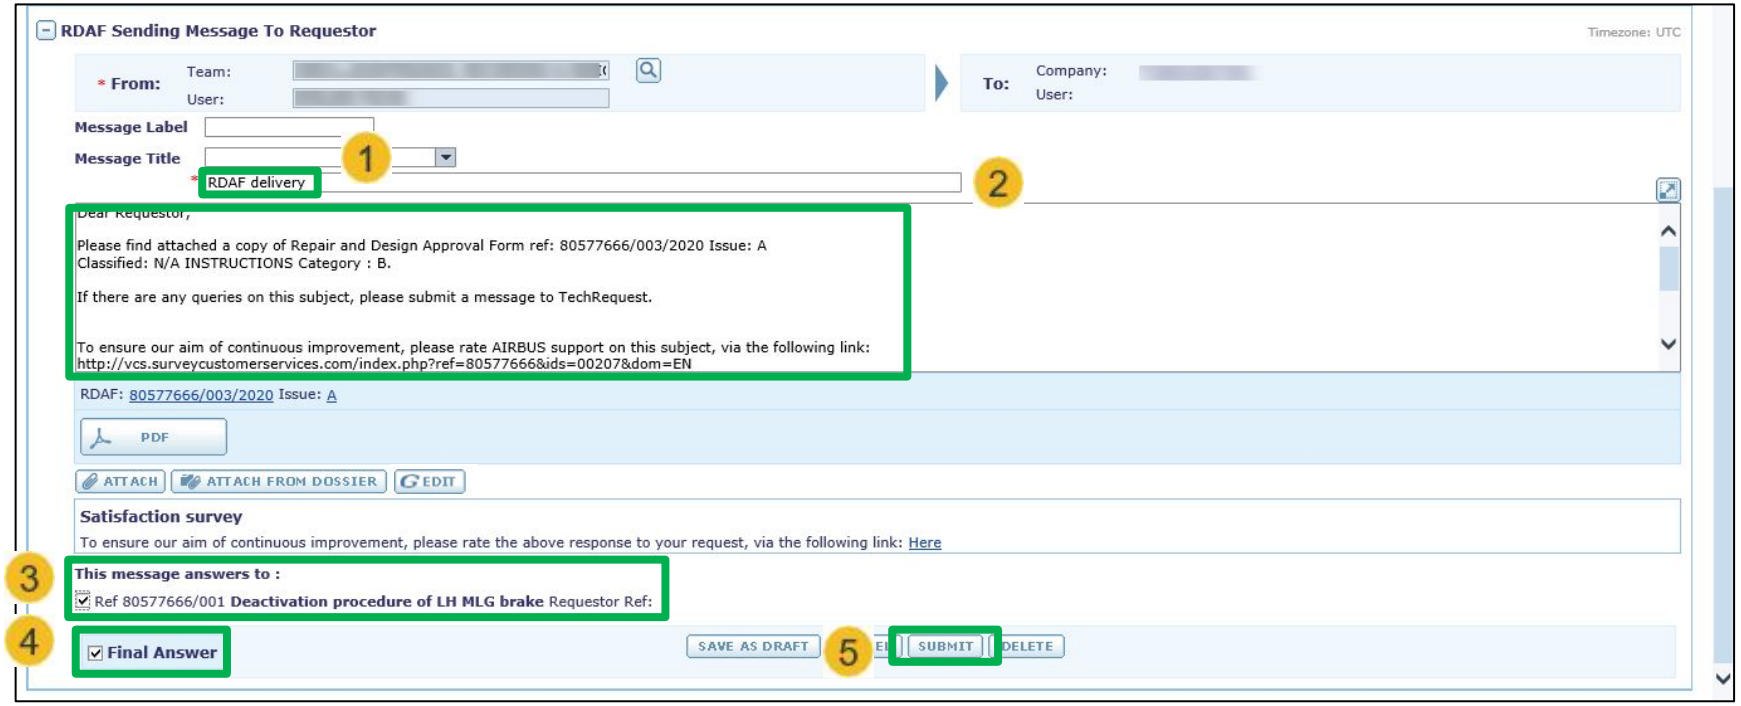
Customer Support
AIB Internal

Consult approved RDAF / ASAC / FCD

Send RDAF / ASAC / FCD to Requestor

In the **"RDAF Sending Message to Requestor"** template, you must:

1. Define the message title, e.g. **"RDAF delivery"**.
2. Write your message to the Requestor. *The message content is automatically initialized with RDAF reference*.
3. Tick the box associated to the Requestors' question this message is answering to.
4. Tick the **"Final Answer"** box if you want automatically close the Dossier.
5. **"Submit"** to send your message to the Requestor.



AIRBUS

5.2 – Receive the Final Answer

Requestor

Receive & Consult the RDAF / ASAC / FCD

1. In your **“Message dashboard”** open the Airbus answer including the RDAF, named **“RDAF delivery”**.

2. The message content mentions the RDAF reference number. Click on the **“PDF”** button below the message to open or save the RDAF in PDF format.

3. A link to a satisfaction survey enables the Requestor to **rate Airbus answer**.
